Hear4All

At-Home Hearing Care

Better Hearing. Better Connection.

Support Better Hearing & Communication

Who We Are

Hear4All® is based in Southampton and helps care home residents hear more clearly and stay connected with family, friends and carers. The service is led by Dr Guoping Li, an audiologist with more than 20 years experience in hearing care and research. We provide simple and practical hearing support for care home residents to help them hear more clearly, stay connected and enjoy daily life more comfortably.

How We Help

- **Hearing Checks & Earwax Support**
  Simple hearing reviews and earwax advice for residents at the care home
- **Hearing Aid & Listening Support**
  Hearing and listening support for television, group activities and conversations
- **Trusted Local Care Home Support**
  Supporting residents at Care UK, Colten Care, Avery and Anchor Care homes
- **Hearing Champion for "Hearing Friendly Care Homes"**
  Training care staff support residents with hearing and communication

"The listening support from Hear4All® helped my Mum enjoy conversations and television again at the care home."
— Claire, daughter of a resident
